According to the Sultan's Private Secretary, Admiral Zumwalt's request for an audience with HM "is in the queue", and once HM returns to BSB from London (on/about June 30) "he will make a decision". If Adm Z doesn't hear anything by mid-July, Amb. Tull, who returns to BSB July 2, can raise the request with HM at her next audience. Regards, Jim Bell, Charge.

Subject: Visit of Admiral Zumwalt Date Sent: 06/13/94

Our Naval Attache received a letter from Adm. Zumwalt asking if there was anything he could do to facilitate the Admiral's gaining access to the Sultan of Brunei. Zumwalt plans to be in Brunei Sept 8 just to see the Sultan, but so far he hasn't heard whether the Sultan will see him. Anything you can do to help out? Thanks. Barbara Schrage, ADCM, Jakarta.

Thanks very much for your speedy response. We'll pass this back to the Admiral and follow up later if necessary. Regards. Barbara.
