- Comments: SIR: I had a nice meeting with Mr. Dai today.  
Minor changes were incorporated into your agenda (dated 8/5/94).  
1) Meeting w/ Pres. Le Duc Anh and Gen. Giap will be confirmed  
by the time I leave VN (prior to 8/20).  
2) If CBS/60 Min. is going forward with a rental of either  
a fixed-wing or heli craft, paper works must ~~be~~ begin  
now. Many places to get approval and a 50% deposit  
is a must. Please advise. Otherwise it will be  
too late when we come back in Sept.  
3) Same as above for the dinner. I suggested a cocktail  
reception, it runs less. A deposit is required here.  
4) I am making a presentation here, in Ha Noi, with  
the Ame. Chamber of Commerce group. I will generate enough  
interest (I hope) for donations to our humanitarian efforts  
and the dinner.  
4) Things will work out fine. I will be in touch.
