AN ORIGINAL HAS \_\_\_\_\_ HAS NOT X BEEN SENT TO YOU.

Dear Professor Le Cao Dai:

Thank you for your fax of August 4. I will pursue obtaining the entrance visas.

After a quiet spell in the planning of Admiral Zumwalt's trip to Vietnam, I have a few items to report to you.

1. **Schedule**

Everything you worked our with Mr. Ca Van Tran is fine. I have attempted to incorporate the changes into the schedule we had.

*fm'd 8/5/94 4:30 PM*

I was skeptical to cross out original items if I could not determine if there was a new item for it. I would appreciate your reviewing the attached schedule and making any changes. After you have marked it up, please fax it back. I will then update it and get it out to the rest of the Admiral's group.

## 2. Additional Schedule Items

People are offering to help with the planning of the Admiral's schedule. Please see the two attached letters with Admiral Zumwalt's responses. Since these individuals are in Vietnam, it would be best if they communicate with you directly. (Hopefully Gannon Pacific had this type of reception in mind when they offered. I will let you know if we get a response at this office to the Admiral's letter.)

## 3. Computer

Mr. Andrew Sundberg of Consultex S.A., a long-time associate of Admiral Zumwalt's, has sent Admiral Zumwalt a check for US\$500 for the Admiral to buy and carry a computer to you. When Admiral Zumwalt requested additional funds for the computer at his Aug 4 Agent Orange Coordinating Council meeting, it was noted that you received a computer a couple of weeks ago from an American veterans group. If this is true, please let us know, and we will put the \$500 towards computer supplies which the Admiral can bring with him. Please write as soon as possible so that I may do the shopping. (I will be away from the office August 20 - September 6, so I will need to make purchase before I depart.)

Thank you for all your assistance.
