RE: Schedule for Vietnam Trip

Attached is the schedule for the trip. The handwritten-in items are new based on conversations Ca Van Tran had with Professor Dai while he was in Vietnam. I haven't canceled out any item from the original "typed" schedule, and would appreciate your assistance in helping me to decide which ones are duplicates. If you would just cross out the typed entries that are obsolete and fax it back to me, I will prepare an updated schedule.

The one item that Ca Van Tran brought up as a possible problem to be worked out soon is who would host a dinner (presently on the schedule for the evening of Sunday, 11 Sept.) Ca realized from Professor Dai's surroundings that the 10-80 Committee is not in a financial position to do so. Do you have any idea on who we can approach to host a dinner?

I crossed out the "Fly to Saigon" on Tuesday, 13 Sept, that was changed. I don't see any reason based on the changes why the group can't leave as originally planned at 6 PM on the 12th. If we do need to change this, it will require changing the hotels in both cities.

Another concern of Ca's was that his inquiries into helicopter flights turned up that the crafts are not very well maintained and Ca would not recommend that any of our group fly on them. The Admiral has written a note to *60 Minutes* (cc to you) letting them know this.

Ca made a cash deposit for the Rex Hotel for our party for four rooms.

Ca will be leaving for Vietnam again on Monday, 25 July, so we should get any inquiries to him before Monday.
