Attached is the Admiral's tentative schedule. The handwritten additions are what Ca worked out with Professor Dai on July 6 in person. Ca requested these meetings not be publicized. Will keep you informed as to how things fall out.

Also attached is the "internal" travel that I have booked for you and Paula. Please review. It parallels the Admiral's arrangements including hotel in Bangkok. Your hotels in Vietnam (Hanoi and Ho Chi Minh City) are being arranged through Dr. Schecter.

In addition is Chuck Wardell's resume that was faxed to us today.
