RE: Trip to Vietnam, Memo 4

Attached is Admiral Zumwalt's schedule from 5 - 21 September.

I have incorporated the schedule that Professor Le Cao Dai provided Admiral Zumwalt on June 13 (attached along with our response of today). (One change we are asking is to put Agent Orange matters on the last days of the Hanoi trip for the benefit of CBS.)

Ca Van Tran will be traveling to Vietnam at the end of this month. Attached is Admiral Zumwalt's memo to him reiterating the topics of yesterday, i.e., hotel accommodations, rental of helicopter, visit w/Prof Le Cao Dai.

It was evident from yesterday's telephone conversation that we are duplicating work. Admiral Zumwalt believes it would be best that all correspondence going out go through him. Therefore, please send all faxes proposed for Vietnam to him for review.
