Dear Sir,

We have received your Fax dated may 27, 1994.

We highly appreciate your project to visit Vietnam next September, you and your delegation will be welcomed in our country.

We hope that your visit will push forward the researches on Agent Orange issue, strengthen the economic relations and so, contribute to a better understanding between scientists and people of our countries. We will try our best to make your trip successful.

1/ I am enclosing our proposal for a tentative schedule of your trip. Concerning the program of Sunday September 11 - you had mentioned in your Fax a meeting with the Minister of Commerce - I wonder if you already had an appointment with him - or have we to arrange it ?. Please let me know if you agree with our program.

2/ Concerning the CV of your delegation - if seems to us that you had omitted 2 persons mentioned in your previous Fax of May 2 : Mrs. MOUZA C. ZUMWALT and Mr. CA VAN TRAN. Ifso, please complete them so we could arrange the formalities for whole group.
