Dear Mr. Vu:

Since my letter to you of April 15, I have firmed up plans to have Dr. Arnold Schecter accompany me on that trip. He has suggested that Professor Le Cao Dai, Permanent Secretary of the (national) 10-80 Committee to Study the Consequences of Chemicals used during Wartime be a sponsor for the visit. I would like to be sure that I have access to both my business and health-related interests and request you advise as to how I should proceed.

I now visualize that the following would travel with me:

Mouza C. Zumwalt (wife)
James G. Zumwalt (son)
Arnold Schecter, M.D.
Clyde P. Smith
Paula Michaels
Ca Van Tran

Sincerely,

E. R. Zumwalt, Jr.
