Dear Admiral Zumwalt,

On behalf of the Leukemia Society of America, Washington/Alaska Chapter thank you for your generous donation to the Leukemia Society's Celebrity Waiters Luncheon & Auction on May 14, 1999. Your donation of lunch at the Pentagon helped us to reach our goal of \$400,000 for leukemia and cancer research. The donor stated fair market value for the donation is: \$500.00

Proceeds from the auction will benefit leukemia and related cancer research as well as patient aid programs. Of all funds raised, 79% are designated to community service, education and research in the form of research grants for funding of our 200 scientists throughout the United States. Eight LSA funded researchers are currently serving at the Fred Hutchinson Cancer Research Center and four serve at the University of Washington. The remaining funds are designated to support our Patient Aid Programs.

Thank you again for your support of the Leukemia Society of America. When there are so many worthwhile organizations to support, we appreciate you choosing the LSA to be the recipient of your donation. Thank you.

Sincerely,

Kimberly Roberts
Campaign Director
