ADMIRAL, U. S. NAVY (RET.)

27 October 1988

Allen C. LoBean

Clayton, GA

Dear Allen:

Many thanks for sending me the material for my Agent Orange data file.

Yours is the first report I have had concerning arthritis showing up in Vietnam Veterans. As a result, I will start to look for this as well.

Keep up the great work.

Sincerely,

E. R. Zumwalt, Jr.
