Dear Admiral Zumwalt

This is in response to your August 30, 1999, Freedom of Information Act request.

The Air Force Medical Operation Agency, Office of the Surgeon General (AFMOA/SGOE) indicated that they are not aware of any testing and/or inadvertent exposure affecting USAF personnel in the region. AFMOA/SGOE also indicated that current studies regarding Agent Orange exposures involve personnel who served in Southwest Asia.

Michael Parker is the action officer on (703) 696-7266.

Sincerely

  
ANGELA ASHTON-KELLY  
Acting Freedom of Information Manager
