Adm. Elmo R. Zumwalt, U.S.N. (Ret.)
Ethics and Public Policy Center
1015 Fifteenth Street, N.W.
Washington, D.C. 20005

Dear Admiral Zumwalt:

Your recent letter to AT&T Chairman and CEO C. Michael Armstrong has been referred to me for reply. Regrettably, our financial assistance will not be forthcoming through our support of the November 12th Ronald Reagan Institute for Public Policy conference.

Our finite resources to support charitable, educational and cultural activities force us to decline the opportunity to support many worthy endeavors, such as this one.

You have our best wishes for success in your efforts.

Sincerely,

A handwritten signature in cursive script, appearing to read "Gary Doran".
