THE HEALTH EFFECTS OF RADIATION

Memorandum

16 September 1999

Enclosed is "A Summary of the Proceedings of the Annual Meeting of Scientific Investigators" of 1999. It contains the presentations that were made during the course of the meeting or re-writes that were submitted afterwards.

Regretfully, the printing of the inset figures is not the best. If you have any questions or desire clearer prints of the figures, please let us know and we will be happy to forward copies from the original manuscripts.
