

NOTES TO 16 DEC 70

#1 This is a good paper to use to demonstrate

(a) the way the government budget process is fought out.

(b) the efforts being made (on page 2) to get answers to the kinds of questions I was answering in the Navy's case with %. This year, my % approach took the debate off the Navy and led to an effort to analyze Europe.

(c) how seriously our military capability has retrogressed.
