

TELEPHONE CALL FROM MR. SHIFTER

Mr. Shifter of the Coalition for Democratic Majority called and asked me if I could be available for a speech about noon on Saturday, November 23rd, to the Coalition for Democratic Majority. I told him that I would be available. The Coalition will be in touch with me to provide the time and place. He went on to say this is the group that is primarily orientated toward Senator Jackson and Senator Humphrey and they have decided to concentrate on making defense a major issue in the two years ahead to try to educate new Congressmen away from the left-leaning part of the Democratic Party and in favor of the right-leaning. He asked me if I would be willing to help, and I said I would.
