

E. R. ZUMWALT, JR.
ADMIRAL, U. S. NAVY (RET.)

31 August 1988

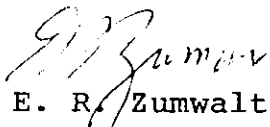

Dr. Terry Lavy
University of Arkansas Division
of Agriculture
Department of Agronomy
Altheimer Laboratory
Route #11; Box 83
Fayetteville, Arkansas 72703

Dear Dr. Lavy:

Thank you for your letter of August 24.

I attach a copy of material received from George L. Claxton which shows why I continue to be of a view that there is a probable causal relationship between Agent Orange and cancer.

Sincerely,

E. R. Zumwalt, Jr.
