

E. R. ZUMWALT, JR.
ADMIRAL, U. S. NAVY (RET.)

24 August 1988

Dr. Eve Snead

Dear Dr. Snead:

Many thanks for your phone call. I would appreciate the most definitive information you have to establish that "a cancer causing virus was in immunizations given to servicemen in the 1960s."

All best wishes.

Sincerely,

E. R. Zumwalt, Jr.
