King Faisal Naval Base  
Jidda, Saudi Arabia

Dear Commander Fadag:

The purpose of this letter is to comment on the performance of Lieutenant Mustafa Mohammed al Taneb, who served, as you know, as my liaison officer during my three day visit to Saudi Arabia.

I found his performance to be superb in every respect. He demonstrated tact, perseverance, keen intelligence, and did a magnificent job of helping me to understand the problems and capabilities of your Navy.

I would be proud to have him at my side in any naval campaign. I hope it will be possible to reflect this performance in his next fitness report.

All best wishes.

Sincerely,
