Dear Lew:

How great it was to see the two of you again after so many years.

I did have the opportunity to suggest, in general terms, the idea of support contracts direct with U. S. firms. However, I don't believe that there was any real interest because of the relatively high interest that General Jones' visit might lead to improvement.

Since I do not believe that this, in fact, will be the case, my suggestion is that your firm develop a proposal.

Under separate cover I am sending you an inscribed copy of my book, On Watch.

All best wishes.

Sincerely,
