

EMBASSY OF THE
UNITED STATES OF AMERICA

John

Admiral Zumwalt

Sir:

Prince Juski has commitments after 3 pm, according to our latest checks with his office. Unfortunately, then, it is not possible to meet with him today.

I will pick you up at the Ambassador's residence about 6:15. (If this is a little too early,

there is no problem at all - at your convenience).

This evening we'll be at my house for drinks. Guests include the Burdettes (executive v.p. of Saudia airlines); The Brunets (visiting v.p. of TWA); the Bowdens (Saudi Parsons firm); the Eyers (our naval attache'); and another visitor, Mr. La Terza, friend of the Burdettes.

The Bowdens and Eyers will go on with us to dinner at the Meridien.
