FOR RELEASE ON RECEIPT

April 13, 1977 . . . The appointment of Robert Lehmann, 35, as Vice President-Transportation of Transway International Corporation, was announced today by John J. Oberdorf, Executive Vice President. Mr. Lehmann, formerly Vice President-Operations of Western Carloading Company, Los Angeles, a major domestic surface freight forwarding subsidiary of Transway, assumed his duties at Transway headquarters here on April 1, 1977. Transway's extensive domestic and international transportation-distribution interests include the world's largest domestic freight forwarding operation.

Mr. Lehmann joined Western Carloading in 1964 following his graduation from Stanford University where he received a bachelor of arts degree in Political Science. He was promoted to Superintendent of Operations at Western's San Francisco terminal in October 1964. From May 1966 until May 1969 Mr. Lehmann served in the United States Army. He was graduated from the Ft. Eustis, VA, Transportation Officers Candidate School as honor student, finishing first in Leadership and Academics, following which he was assigned as a Transportation Officer at the Port of Oakland Army Base. Mr. Lehmann also served in the Transportation Company of the U. S. Army Republic of Vietnam Command and in the Saigon Support Command from May 1968 until his discharge a year later.

He rejoined Western in the Company's New York operations department following his army discharge, transferring back to San Francisco as Terminal Manager the same year. Mr. Lehmann was named General Manager-Operations at Los Angeles headquarters in 1972 and Vice President-Operations in 1975. Currently he resides in Whittier, California, with his wife, the former Susan Baxter, of San Francisco. The couple plans to move to the New York area in the near future.
