Dear Russ:

I attach a copy of a vita of RADM Robert E. Morris
who, in my judgment, is a man of immense capability
who ought to be of value to the firm.

Sincerely,

E. R. ZUMWALT, JR.

Dear Russ:

I attach a copy of the vita of a Gregori Lebedev who is personally known to me and who, as a very young man, has had remarkable professional experience beginning with law and proceeding through a series of very impressive government posts.

I commend him to you as someone who would be particularly useful and would have a high probability of moving quickly to positions of senior responsibility.

Sincerely,

E. R. ZUMWALT, JR.
