Dear Adm. Zumwalt,

Thanks very much for sending your books. It's my pleasant duty to let you know that the trip to Vietnam September 11-18 was a big success, and a large part of that success was the presentation of your books, along with 30 others, to the Vietnamese Veterans Association in Hanoi.

The Vietnamese veterans were very, very happy to get the books. We strongly believe that, by making this connection, we have begun building a strong relationship with our counterparts in Vietnam.

Mokie Porter, who presented the books to the Vietnamese, brought home copies of the Vietnamese Veterans Association's newspaper, and we thought you'd enjoy looking at an issue. I am enclosing one and a list of the books we presented to our counterparts in Vietnam.

Thanks again for being so generous and for helping us in our ongoing effort to work for reconciliation among Vietnamese and Americans.

Best regards,
