3 January 1994

Dear Bud,

Very best wishes for a Happy and Prosperous New Year.

I am thinking about coming to the USA for a couple of weeks in late January and would like to ask if you would be available in Washington during the latter part of the week of the 17th of January?

It would be helpful if we could spend a little time talking about my visit with General Giap in November, and the various options that we could propose for future projects with him. The head of the 10-80 Committee would also like very much to have your advice on possible cooperation on projects concerning Heptocellular Carcinoma.

Please let me know as soon as it is convenient for you whether some time during the latter part of the week of 17 January would be a possible time for a meeting.

Kindest regards and very best wishes.

Andy Sundberg
