Dear Contributor to the Encyclopedia of the Vietnam War,

All additional entries have been assigned. Please remember that the deadline for the submissions is September 1. There can be no exceptions. Please remember to send these both in hard copy and on disk in WordPerfect (preferably 5.1).

Very few of you have provided the requested photographs and document. If you have not done so already, please send ASAP:

Photocopies of photographs and illustrations, along with sources. ABC-CLIO will secure the permissions. We want to include all leading figures and the war's important photographs. Please look at all your own entries for possibilities. If you know of other photographs you think should be included but are not necessarily of an individual or event about which you wrote, submit them as well. I hope each of you will submit a minimum of ten.

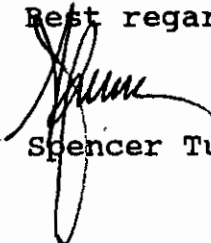

Documents, along with the sources for them. It would be a great help if you could provide scanner-ready copies of the documents you select.

One final note: I am leaving TCU on August 1 to become John Biggs Professor of Military History at Virginia Military Institute. Any submissions or correspondence after that date should be mailed to:

Dr. Spencer C. Tucker
Department of History
Virginia Military Institute
Lexington, VA 24450.

Thank you for your attention to the above.

Best regards,

Spencer Tucker
