April 01/1994

Admiral E.R. Zumwalt  
1500 Wilson Blvd  
Arlington, VA 22209

Dear Admiral Zumwalt,

It has been 19 years since the first group of Vietnamese refugees arrived in America. We are constantly aware of the appreciation we owe to the Vietnam Veterans who fought gallantly for our survival and for our escape to freedom.

At the present time, we have what we searched for - security and freedom. However the freedom we wanted was not freedom from responsibility. Therefore we have formed the National Committee to keep our appreciation alive through generations.

We are planning to host an appreciation banquet in Philadelphia PA on April 22, 1994 for approximately 300 Vietnam Veterans from Philadelphia, Delaware and from other East coast states. It is the second a series of appreciation dinners planned for 1994 and the following years.

We would like to invite you to the banquet as our Guest of Honor and Key Speaker for the event. Your acceptance will be an honor for all of us.

May God bless you.  
Sincerely,

Newton Tran  
Co Chairman of NCFVVA
