Dear Mr. Director:

I am writing on behalf of Viet-Nam Assistance for the Handicapped (VNAH) to inform you of our desire to engage in humanitarian projects in Viet-Nam. VNAH's Board of Directors has settled on initial projects of prosthesis assistance focusing in major urban centers in Viet-Nam.

Pursuant to our request, the U.S. Department of Treasury has licensed VNAH to work toward establishing a prosthesis clinic for humanitarian purposes in Viet-Nam.

We would like to ask for your kind advice and assistance in order for us to proceed promptly with our program in a timely and effective manner.

We are much appreciative of your cooperation and shall look forward to hearing from you at your earliest convenience.

Respectfully Yours,

Tran Van Ca  
President
