Dear Admiral:

I'm so glad that you have gotten back your column with
the New York Times. It could not be a better syndicate.

I am exploring the possibilities of getting you a
T.V. news feature and have gotten some encouragement.
This will take some time so there will be ample
opportunity to consider the possibilities and fit it
into your schedule.

I have been in touch with the Fourth Network people,
and they are not quite ready yet for news features but
will be in the future.

Best regards; hope you enjoy your trips. We are going
back to India on the 25th.

Sincerely yours,

Ruth
