Dear Bud:

Although it's almost time to start planning for our eighth annual dinner, we still remember the seventh with pleasure, and we hope you do, too. Here, with my compliments is a memento of that evening.

We are also enclosing with our compliments a photograph of the historic meeting between Edward Teller and Andrei Sakharov.

Be sure to mark you calendar for November 14, 1989, and join us for our eighth dinner.

Sincerely,

Ernest W. Lefever
