Dear Admiral Zumwalt;

The enclosed photographs were requested by Mr. Coffee who desired that they be mailed to your home address. It is a pleasure to provide these prints and if your future requirements call for photographs of your tenure as Chief of Naval Operations or any other naval subject, please call.

I've retained in our ready file numerous views of your fleet visits and informal and formal portraits.

Knowing you are engaged in various projects, I'm aware that time is of the utmost importance. This office can provide photographs of most Navy subjects on short notice.

From one Navy retiree to another, stop in for coffee and review what is available.

Very respectfully,

A handwritten signature in black ink, reading "Robert A. Carlisle", is positioned above the typed name.
