Dear Arnold:

Dr. Lynn Frame was in to visit today and mentioned that Dr. Kendall and she are trying to woo you in to moving to Texas Tech.

The purpose of this letter is to tell you how strongly I would recommend that you take them up on it. My association with those two and with Chancellor Montford, President Harrigan, and Dean Schmidly leave me absolutely elated with their personal interest in the projects in which you and I are involved.

All best wishes.

Sincerely,

E. R. Zumwalt, Jr.
