Subject: Secretary Danzig's Essay on National Security Threats: The Big Three

Date: Tue, 15 Jun 1999 16:21:48 -0400

The link to The Big Three is:

Additionally, all of the Secretary's speeches and letters to the fleet (I think that the Admiral will find these particularly interesting) can be found at:

Thanks so much for passing this to the Admiral. Please convey to him that I greatly enjoyed our conversation and that the Secretary will undoubtedly find his information useful. Thanks again.

Very Respectfully,

LT Dan Goldenberg
SECNAV Speechwriter

A handwritten signature in dark ink, appearing to read "Dan Goldenberg", is located in the lower right quadrant of the page. The signature is somewhat faint and appears to be written over a light-colored background.
