Dear Middy and Jim:

This is just to officially record the tremendous admiration that Mouza and I have for the way in which the two of you fulfill your representational responsibilities to the University and to the Vietnam Center. No one could ask for more wonderful, thoughtful, and friendly support than you give us on the occasions of our visits.

We consider you to be dear friends and we look forward to continuing contact. Mouza and I are sending Middy a copy of *My Father, My Son*.

Sincerely,
