Dear John:

I just wanted to say in writing what I said to you verbally—Mouza and I are deeply grateful to you and Debbie for your many courtesies which made our visit so outstanding and which was highlighted by the honor of the degree. We appreciated the opportunity to meet the Board of Regents at your home on Friday evening.

I am showing my spurs proudly in my office. I hope you get a chance to stop by some day and see them.

I would be remiss if I didn't also tell you how impressed I am from everything I hear from faculty and students about the tremendous job you are doing as chancellor. And, of course, I have had a chance to observe that personally with regard to the enthusiastic support you have delivered to those of us working with the Vietnam Center

Mouza and I are certainly looking forward to seeing you and Debbie again. To match my gift of *On Watch* to you, Mouza and I are sending a copy of *My Father, My Son* to Debbie.

mailed 5/27/97

Sincerely,

Bud
