Mr. Harry Glenn  
Office of Congressman Young  
2407 Rayburn House Office Building  
Washington, DC 20515

Dear Harry:

I wanted to thank you for setting up the meeting and please give Doug my thanks for his backup in the meeting.

We are in the process of carrying out the Chairman's suggestions. Congressmen Bonilla and Combest are in Lubbock today to visit our Reese AFB facility and be briefed on our plans.

After we left you, we met with Dr. Hans Marks, Director of Defense Research and Engineering who strongly supports the project.

I am setting up meetings with Congressman Murtha and Lewis—the latter having been unavailable all day on Thursday due to the Kosovo situation.

Please give my deep appreciation to Chairman Young for his constant support of my pro bono efforts to pay back this great country.

I am convinced that the funds we hope to get for both the research and development and operational training will fill a significant urgent need.

Sincerely,

E. R. Zumwalt, Jr.
