From: Jim Zumwalt; Fax No: 011848390239

Please advise my father that the name of the Major General who ordered the attack against my father's naval headquarters in Saigon in 1969 was Tran Hai Phung. General Phung commanded the Cu Chi Tunnel guerrilla fighters during the war and was responsible for the attacks against all targets in the Saigon area. Please pass General Phung's name to the people at Texas Tech as well to invite him to attend the conference. The invitation be sent to the General at my fax number above (c/o Phu Van Nguyen) as Phu will be staying here for an additional week or so after I leave on 2/20. Thanks.

I will be at Aston Wailea R. Hotel in case my father needs to reach me 2/11-2/20.
