Dear Admiral,

Thank you very much for your invitation and it would be great pleasure for me to participate into the symposium to be held at Texas Tech University in Lubbock. As you, I strongly believe that this discussions will be very fruitful and will give us, both two sides in the ended Cold War, exchange of ideas.

Now I am starting to prepare formal procedures for permission of our government to attend in the symposium and for a visa to America. I am not sure that there is enough time for all these completed procedures. When I have all necessary documents I will reconnect with you.

I will close now with my sincere best wishes to you and your family, I hope you have a happy and prosperous 1996.

Yours sincerely,

Pham Hong Son
