Dear Elmo:

Your letter of 9 February has been received in which you inform me of the establishment of the Center for the Study of the Vietnam Conflict at Texas Tech.

Also you enclosed a letter from President Lawless in which he invites me to join "A National Council" to provide general guidance and support for the project. I have accepted his invitation.

This seems to be a worthy endeavor and I look forward to participation.

Regards and best wishes.

Sincerely,

W. C. WESTMORELAND
