Dear Jim:

The originator of the attached letter is one of the "Vietnamese sons and daughters" that we took into our home after the fall of Vietnam. Could you let me know whether or not Texas Tech might have any interest in pursuing a cooperative agreement with the Foreign Trade University.

All best wishes.

Sincerely,

Dear Adm.,

Foreign Trade University in Ha Noi is looking for an American University to be associated with to offer a four year degree with the first two years study in Vietnam, and the last two years in the States. They heard that you are associated with quite a few excellent University in the States and have ask Peter (Somboon's brother) whom you have met on 4/28 to ask for your assistance in pursuing this co-operation. Peter and I believed this is a good opportunity for an American University with good reputation to take a lead role in this education matter. Please communicate directly with Peter regarding this matter at . I am glad to see you and Mrs. Zumwalt in Saigon and hoping that you two had a great trip while visiting Vietnam.

Best regards,
