Dear Admiral Zumwalt,

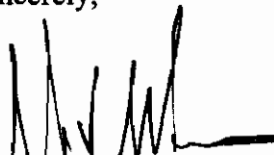

I have enclosed a copy of the campus paper, The University Daily. As mentioned, the coverage of the Vietnam symposium was quite good this year. I'm sure you will agree that educating this generation of college students and future military leaders about Vietnam is extremely important. Your presence at this year's symposium made an indelible impression on all those in attendance.

If it is possible, I would like to add your picture to our Department's "Wall of Honor" as a reminder of your visit and address to our cadets. It is rare that ROTC cadets have the opportunity to ask questions of a senior military officer of your stature.

It was truly an honor and privilege for Captain Egbert to serve as your escort officer. It would be a privilege for any of my officers to serve in that capacity again.

Sincerely,
