Dear Doctor Reckner:

Your letters of August 15 and 18 have been received.

Reference your letter of August 15: The cooperation and contributions to your archives are impressive and your projected 1996 Symposium will be timely. Indeed, I applaud the participation by General Phil Davidson, who is one of the best informed military officers on Vietnam. I regret that I can not be present to participate in the program. (I will then be 82 years old.)

Reference your letter of August 18: I have met Mr. Perot only on one occasion, and thus do not believe it important that I accompany President Lawless when he calls upon him.

Best wishes.

Sincerely,

W. C. WESTMORELAND
