Dear Mr. Reekner,

Thank you for including me in the mailing list for your Newsletter and associated information.

That was quite a stroke to get Douglas Pike's collections. Well done!

I am very pleased to learn of the progress made in the establishment of and collection of material for the Vietnam Archive.

I have a very large amount of material dating from 11<sup>th</sup> Air Assault Div - 1<sup>st</sup> Cav at Fort Benning; research on Joe Galloway's + my book; notes, photos, etc from my 1990, 1991, 1993 trips to Vietnam; numerous 1<sup>st</sup> Cav A.A.R.'s -

What are your policies, safeguards, etc for such material as Doug Pike's + mine?

Sincerely,

Harold Moore
