Dear Jim:

I read Blake Dunnavent's theses over the weekend and thought it was a very credible piece of work which will be good for you to have in the archives.

With regard to query whether I would base my lunch-time talk on Friday, June 12, on the subject of "What should we teach our children about the Vietnam War?" I will be glad to do that.

Still waiting for a response from you whether you would like to have me send a letter to Chancellor Montford expressing appreciation for his proposed trip to Vietnam and scholarships.

Sincerely,

E. R. Zumwalt, Jr.
