Dear Bud,

It is my pleasure, on behalf the the Naval Academy Alumni Association, to say thank you for your contribution of \$100.00 to the 1994 Annual Fund.

Your generous gift renews your membership in the Century Club of donors. I've enclosed a date bar for your plaque.

At a time when the Academy is experiencing serious cutbacks, we are most grateful for your support. With the continued help of alumni, parents, and friends, the Academy will have the funds necessary to maintain its excellent reputation.

Again, our deepest thanks for your commitment to the 1994 Annual Fund drive and best wishes.

Sincerely,

A handwritten signature in cursive script that reads "Bill".
