Mr. George Claxton
VVA, State of Michigan Council
State Service Representative Office
McNamara Federal Building

Dear George:

We do need to start bringing pressure to bear to get the spina bifida legislation.

Individual letters, not form letters, should be written by as many people as possible to the members of the Veterans Affairs committee of both the Senate and the House.

It is going to be a tough one to sell and it's really going to take a lot of support from around the country.

Sincerely,

E. R. Zumwalt, Jr.
Admiral, USN (Ret.)
Chairman, Agent Orange Coordinating Council
