Admiral E.R. Zumwalt, Jr., USN (Ret.)

P. ...

Dear Admiral:

I wanted to inform you of a change of name for what was formerly known as the Vietnam Veterans Agent Orange Victims, International – they are now known as the National Veterans Services Fund, Inc. Their mailing address is P.O. Box 2465, Darien, CT 06820-0465. Their national toll-free number is 1-800-521-0198, direct number _____, fax _____. The e-mail address is: NatVetSvc@aol.com.

As you know, Frank McCarthy was one of the founding members of this very worthwhile organization and he has struggled along through the good and bad for many years. Frank is now only associated with them in a general way since he is undergoing his recovery from recent lung surgery. Frank is up to walking about two miles each day and is in Europe exploring the possibility of living there. Therefore, he will not be actively participating in the Council or the NVSF. Phil Kraft will be their contact person.

I personally appreciate the support you have given to Frank in the past and know that a continuing working relationship with this group will benefit us all.

I hope you are well and keeping active. I think of you and your family often.

Sincerely,

Michael Milne
