Dear Mr. Zumwalt:

As is customary around this time of the year, I would like to request your membership contribution for the current year. You know by now that our fiscal year ends on August 31, so it is important we receive your 1997 donation. Thanks to your generosity, we can continue to provide financial assistance to the French-American educational programs we have supported throughout the years. I enclose a copy of the letters we received from three of the students who were able to benefit from our grants.

We are encouraged to see our membership grow steadily, and we very much appreciate the many contributions we receive for our Newsletter, a respected publication with a sizable circulation. Our Society is very active and recognized here in the U.S., as well as in France.

We realize that none of this would be possible without your continuing support, and we value your confidence in us.

Yours sincerely,
