Dear Mr. Zumwalt,

Thank you for your support of the American Society of the French Legion of Honor. Your donations enabled us to provide financial aid to over half a dozen French-American educational programs. We hope not only to continue this, but to extend our range of support to further benefit the French-American community.

You helped create our Newsletter which has been received very well indeed. It provides the members with a forum to share information; it enables us to keep you abreast of our activities and allows us to stay in closer touch with our membership.

Thanks to your generous contributions we were able to improve and redesign our annual publication, "Légion d'Honneur." A number of you were instrumental in providing us with the material for its most impressive content, and we are encouraged by the many enthusiastic reactions you sent us.

1994 has truly been a year of innovation and change for our Society. Your contributions will enable us to keep up the momentum, and your vital input is important to make this organization a truly efficient and more active one.

We hope we can count on you once again this year, and would like you to consider upgrading to the next membership level.

We thank you for your continuing support and look forward to hearing from you.

Yours sincerely,

Guy Wildenstein
