The Honorable Cyrus R. Vance

Dear Cy:

The purpose of this letter is twofold:

1. To express my deep regret at not being able to attend the American Society of the French Legion of Honor's award to you of the Medal for Distinguished Achievement owing to a conflict.

2. To add my own small voice to your many friends who admire your most recent contribution in addition to the many earlier ones of your career.

All best wishes to you and your family.

Sincerely,

E. R. Zumwalt, Jr.
