## Our America

Our country may now face hard times  
With this we all agree,  
But we'll survive, ride out the storm  
And good times once more see.

We've seen recession, depression,  
And we survived them all.  
We fought in wars on foreign lands  
Our freedom did not fall.

We've seen good times and bad times  
And we will see some more,  
But we'll pull through there is no doubt  
Just as we did before.

Some may condemn and criticize  
And that's their right to do,  
But in the end we always find  
They are among the few.

Through turmoil and adversity  
And come what will or may,  
You may be sure America  
Will not fall by the way.
